

The Date

[PROLOGUE]

Invis, wakes up in the middle of the night. He just woke up from a phantomizing nightmare. Invis checks the time, Invis checks the date. "Oh no!" he whispered, so as not to wake up Tealdohr. "It's February the 14th!", he said. "Fuck I have... 12+7... 19 hours before the date! Shit!". Invis quickly runs to get the key and open the door, as quietly as he can to not wake up the slumbering Tealdohr. He opens the front door and locks it from the outside, then throws the key inside from a window. He quickly reach into his pocket and: "FUCK!" "I FORGOT MY WALLET!". He RUNS back into the house, he climbs out the window. "Man, I really need to upgrade the protection of this house," he said. He grabs the wallet, and opens the door. Tealdohr, having just heard the shutting door, woke up. He checks the time. "Wtf it's 12 am?" "INVIS WTH ARE YOU DOING IN THE MIDDLE OF THE NIGHT?", Tealdohr lightly shouted. Invis obviously didn't hear because he was well away from the house and quickly running.

[CHAPTER 1]

Grocery

Invis ran to the nearest chocolate store. It was closed. Not surprised. Invis reconsiders, "What store is open in the middle of the night?" "Maybe if I...". Invis RUNS into the nearest grocery store. Invis then grabbed the basket and proceeded to go to the cooking section. However, not knowing where the cooking section is, he stops. "Hey sir, can I ask a question?", said Invis. "Yes, how can I help you?", said Golden. "Wait you work in retail?", Invis asked. "Yeah, pretty cool right?", said Golden. "Anyway, where's the cooking section?" "Oh its three halls to the right." "Aight thanks.". Invis goes to the cooking section, he picked some cocoa powder, some all-purpose flour, a bag of baking powder, and some eggs. Invis proceeds to go to the cashier. The cashier picked the groceries, they scanned it, and it came out at 15\$. Invis buys the groceries and ran back to the house. Tealdohr is vast asleep. Invis goes back to sleep and rests himself for tomorrow.

[CHAPTER 2]

Cooking Recipe

Later at 6:40 PM, Invis went to the kitchen, he opened the fridge and picked up the milk. Invis opens his phone and searches for a recipe. He heats up the waffle iron and grabs a mixing bowl. He picks up some table salt and some sugar, and mixed it with some flour, some cocoa powder, and some baking powder. He mixed it all until it's all smooth. He sprayed the waffle iron with a non-stick spray. He pours the mixture in the waffle iron. Tealdohr comes into the kitchen, wondering why Invis is cooking. "Why are you cooking?", asked Tealdohr. "Nothing, I just feel like cooking.", said Invis. "Oh.". Tealdohr leaves, confused and all. Invis then quickly puts the chocolate waffle in the plate, and pours some maple syrup. He makes some tea and prepares the table.

[CHAPTER 3]

The Date

Tealdohr comes to the table; wondering why it's all fancy like. "Invis, why is it so... romantic here?" "Nothing, call it, a date." "But we literally live here." "Oh, it's for a special occasion." Tealdohr checks the date. "WHAT? IT'S 14TH OF FEBRUARY!" "HOW CAN I MISS THIS?". Invis calms Tealdohr, "It's ok, we all make mistakes." "Here, have some chocolate waffle." "WAFFLE? WHERE!?". Tealdohr then proceeds to munch on the chocolate waffle, leaving some for Invis. "Man, you're so cute like this", said Invis. "Really?" "Yeah, I wanna boop your cute little nose." "Aww, thanks". Tealdohr and Invis talked about how much they've grown as a person and as a couple. They end the date with their tummies full, and happy thoughts.
